SHORT PORTRAIT

EQUIPMENT & TOOLS

Our full service for trade shows and events also includes the functional equipment for your brand identity with suitable furniture as well as event tools. These we obtain from the large stock of our warehouse.

In addition, we are always up to date via our large network of industry-specific sources.

Convince yourself of our capability and send us your request for rental of vehicle platforms, lecterns, counters, pylons, bar stools, Tensabarrier and many more!

CATEGORIES

- **Furniture**
In the area of furniture equipment, the fast-moving market is constantly changing. Nowadays, it is important to align the high standards of optimal material aesthetics with the given budget requirements.
- **Vehicle platforms**
Vehicle platforms of any type and design have long been our standard task, which we reinterpret again and again: we have experience, the willingness to innovate and the necessary storage tools.
- **Functional elements**
For every occasion, available functional elements from our stock are required, which are, of course, contemporary, visually pleasing - as well as safety relevant.
