SHORT PORTRAIT

MOBILE ROOM

Temporary brand appearances at logistically demanding locations are one of our specialties. Thanks to our many years of experience, we have extensive know-how in this area.

Our portfolio includes solutions for roadshows, pop up stores up to festival tools.

We are able to in the position to implement your brand architecture anywhere and almost anytime. In addition, we offer innovative, special solutions through the use of steel construction, container solutions, refined tents as well as the modular assembly of pavilions.

CATEGORIES

- **Container**
Using the modular principle of containers to create visually high-grade, special solutions poses a passionate challenge for us.
- **Hall construction**
Owing to the large number of projects in previous years, we have gained a vast experiences in the application of steel halls - from budgeting, via planning up to the implementation.
- **Modular systems**
Today, reusable constructions, adaptable to various sizes, while equally cost-effective, are often cited as a prerequisite for project awards; therefore, we developed our own approach to this.
- **Tents/ Pavilions**
We develop and device pavilions and tents. Therefore, we would be pleased to offer you a perfect solution for your appearance or event.
